On our Newspaper and Magazine Counters

you can get just the paper or magazine you desire. Drop in on your way to the depot.

Quality again is our motto here. Let us show you our stock.

An Open Challenge

CHECK THE NEW OAKLAND—POINT BY
POINT—AGAINST ANY CAR IN THE FIELD

Inspect the smart, low-swung, beaded Fisher body. Examine the ultra-modern chassis. Study the advanced features. Note that these include Air Cleaner, Oil Filter, Four-wheel Brakes and the Harmonic Balancer, an exclusive feature which renders the Oakland engine unmatched in freedom from vibration.

Then drive the car and in one thrilling ride learn its great performance advantages—advantages made all the more remarkable by the new prices \$70 to \$350 lower. A proof of superiority is in the car itself. All we ask is that you see it—drive it—and compare it point by point with any automobile in the field.

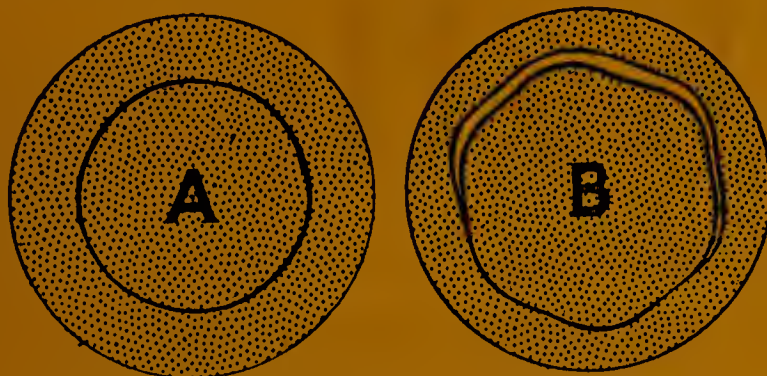

WINNING AND HOLDING GOOD WILL

OAKLAND SIX

Union Motors Inc., 69 Exchange Street
LYNN, MASS.

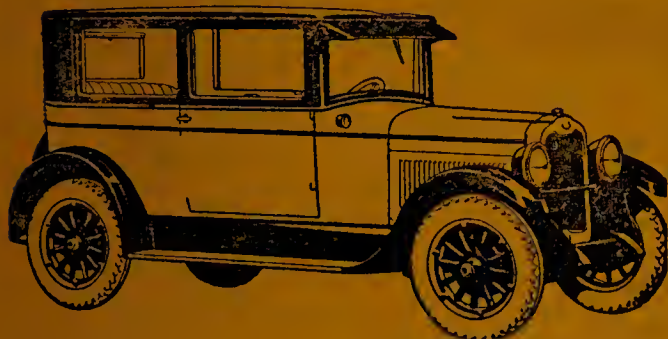

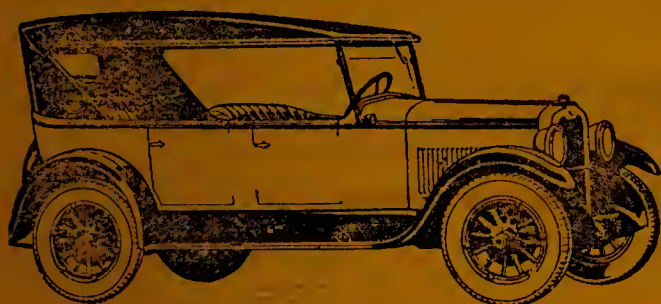

Only **OAKLAND** has the **HARMONIC BALANCER**

*Readings taken with the Crankshaft Indicator,
a device for measuring torsional vibration*

(A) Power-flow of the new Oakland Six engine with Harmonic Balancer—vibrationless, uniformly smooth at all speeds.

(B) Power-flow of the other sixes without Harmonic Balancer—not uniformly smooth, but having vibration periods as illustrated.

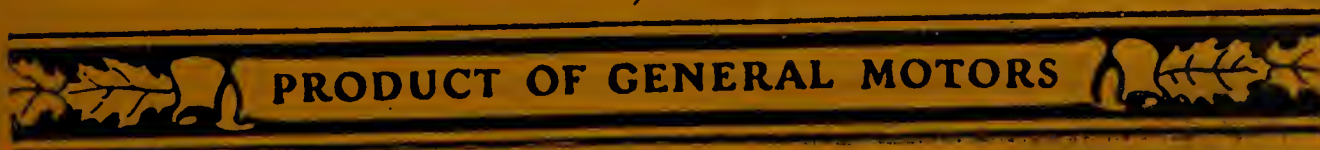

Flash from a walk to the very limit of this new Oakland's amazing speed-range. At all speeds—unmatched freedom from vibration. That's the new Harmonic Balancer—simple in design but sensational in results. Only Oakland has it—only Oakland can give you the freedom from vibration it alone imparts.

But it is only seen by those who pass your way.

If you could put a sign where everyone could see it, it would interest you, would it not?

THE DIRECTORY

is where people look for you when they want to do business. You should make it easy for them to find you by putting such information as the buyer wants in the Directory, properly indexed under all the headings where he might look for you.

To be properly registered costs less than to be left out.

PREFACE

The Twenty-third volume of the City Directory includes the adjoining towns of Hamilton and Wenham which have been carefully canvassed. These towns are published bi-ennially on the odd years. Manchester is canvassed bi-ennially on the even years. The net population of Beverly has increased about 700 over 1924, and the directory contains over 58% new or changed matter as compared with the previous issue. In the street directory of Beverly and the towns the locations of all telephones are shown by an asterisk (*).

Our thanks are tendered to all who have furnished information, and especially to our many subscribers and advertising patrons.

CROWLEY & LUNT'S
CITY OF BEVERLY
BUSINESS DIRECTORY

1925

Beverly, clean, healthful and beautifully located on the North Shore, with seven miles of the most charming views to be found on this continent, recommends itself to all classes of manufacturers and business men on account of its first-class rail and water facilities and equitable freight rates to all shipping points. Its most significant growth proves it to be the coming city of this part of the Massachusetts coast. With a valuation of nearly \$40,000,000, within its limits are scores of millionaires' and multi-millionaires' palaces. The manufacturing industries comprise shoes, machinery, oil, oiled clothing, foundries, mattresses, planing mills, wood and paper boxes, grain elevators, electric works, etc. The shoe industry, established more than a century ago, pays over one million dollars per year in wages.

The United Shoe Machinery Company, occupying one of the largest reinforced concrete factory plants in the world and employing 5,000 mechanics, pays a wage of over one and one-half millions per year. The Gulf Refining Company has its New England terminal here and docks its fine steamships running from Port Arthur, Texas. Spur tracks of the Boston & Maine Railroad connect with all the wharves. Population of Beverly, 1925, estimated about 27,000. Eighteen miles from Boston on the Boston & Maine Railroad. Eastern Mass. Street Railway connections to all nearby points. Superior harbor. Four banks. Daily newspaper. Excellent fire department. Good sewers. Well-lighted streets. First-class public schools. Good hotels and theatres. Public school playgrounds costing over \$40,000. Modern bath house at Oceanside Park.

NOTE:—It has been found essential (as a general rule) to insert names of firms under the ONE heading only which best represents them, except in the case of patrons, when extra insertions are sometimes made.

*Patrons' insertions only under this heading.

The Sign Over Your Door

Is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

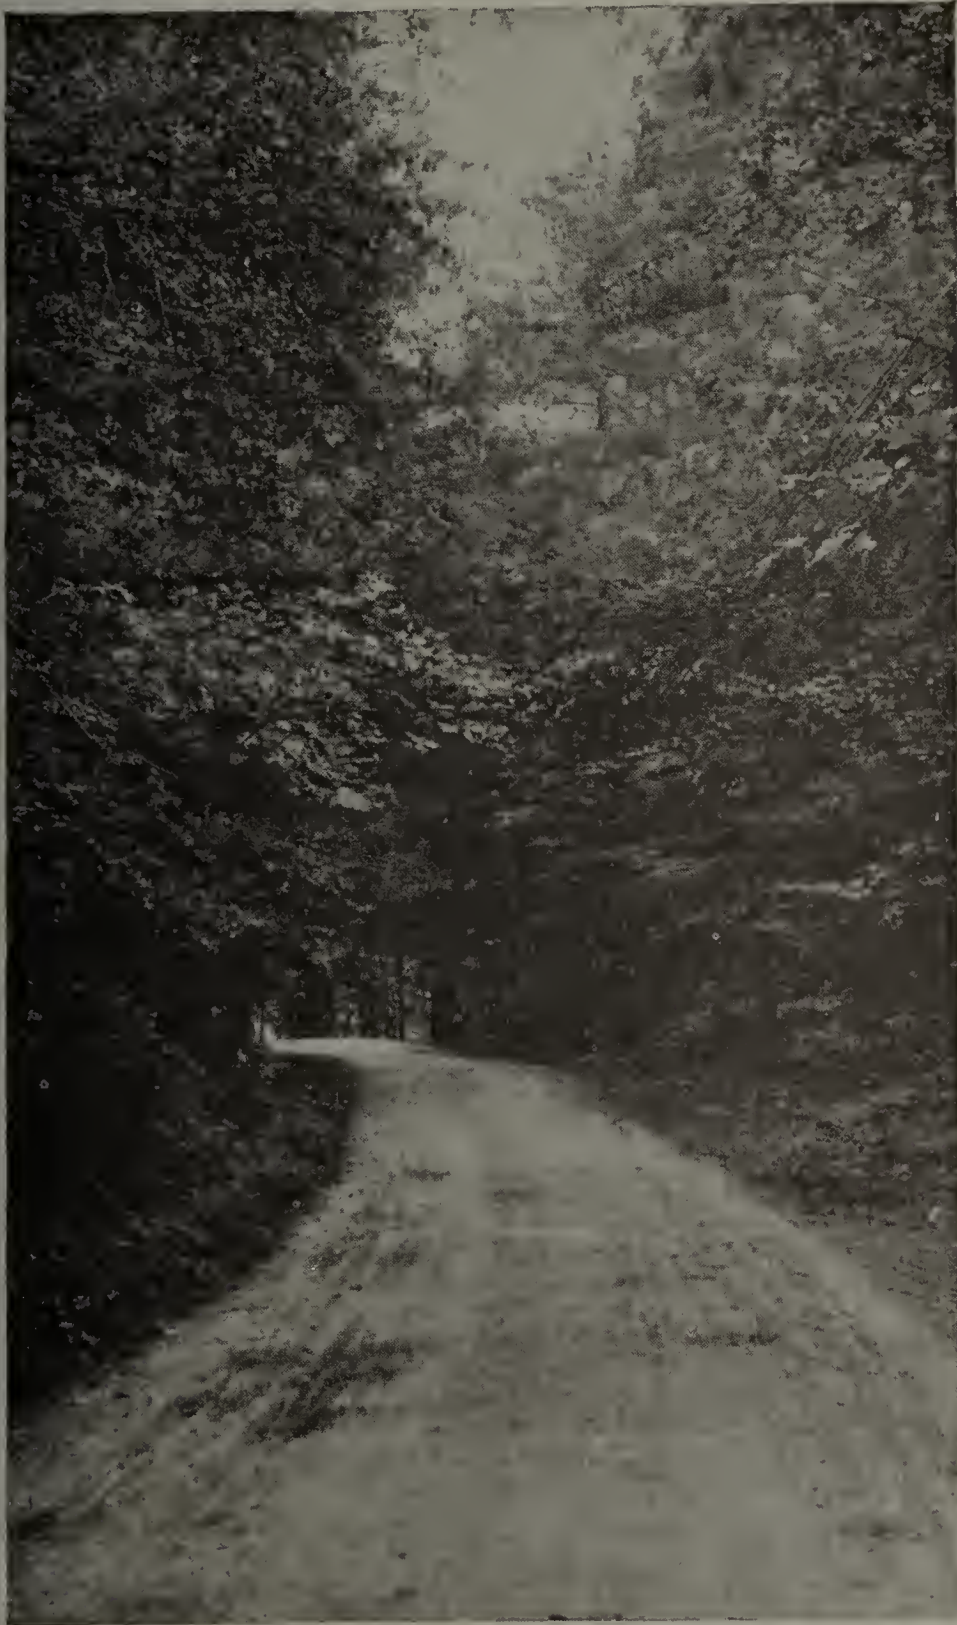

If you could put a sign where everyone could see it, it would interest you, would it not?

THE DIRECTORY

is where people look for you when they want to do business. You should make it easy for them to find you by putting such information as the buyer wants in the Directory, properly indexed under all the headings where he might look for you.

To be properly registered costs less than to be left out.

Directory Users

This directory is often of highest value to you, the information you get out of it is sometimes indispensable. Please remember that without the co-operation of the advertisers in this book you would be wholly deprived of the use of it.

All we ask of you

is not to be dumb when you are calling for goods advertised herein; let the advertiser know you read his adv. Too many of us are afraid we will get ourselves under an obligation to buy, or something, when we speak of seeing advertising, especially general advertising like that in a directory, but this is a mistake.
